As with all non-profit organizations, funds are not always available to purchase much needed items. George Derby Centre has a list of items that will greatly improve our residents' security and comfort. We are dependent upon the generosity of individuals and organizations to assist with the necessary funds to purchase these items.

Financial contributions and donations assist the Centre in providing special programs and activities that enrich the lives of our veteran population and in maintaining the homelike atmosphere provided at George Derby Centre. For further information on our fundraising initiatives, please contact
